The Orchard Trust will not knowingly request Maintenance staff to work with; electricity, gas, ACM (asbestos containing materials), work at height, power tools or machinery which is unguarded, faulty or which requires specific training for safe use. This list is not exhaustive.

If a job requires any of these elements the work will be outsourced. The Trust has detailed asbestos surveys which will be made available prior to any structural work in buildings which have been surveyed. If no survey exists, one will be arranged prior to any work proceeding. If maintenance staff ignore these rules and knowingly or otherwise, put themselves or others at risk this may be considered a disciplinary matter.

As users of the Disability Confident Scheme, we guarantee to interview all disabled applicants who meet the minimum criteria for all advertised vacancies.
